## Dr. Sweeney's Name Rejected By Supervisors

### Kellogg Declines Stand On Health Post Controversy

**Application of Dr. J. Paul Sweeney of Millbrae as director of health and welfare for San Mateo county, who was put forward by County Executive Walter Kellogg some weeks ago and then withdrawn, was rejected by the board of supervisors Monday as a safety precaution.**

**Dr. Sweeney's name is not before the board at this time because Kellogg has withdrawn it.**

But the fact that the name had been submitted and must be accepted or rejected within 30 days caused the board to act on the matter today.

Mrs. Ella Chase, Lomita Park, on behalf of the San Mateo County Taxpayers' Protective Association, demanded of Kellogg and the board that the matter of who is the health director be cleared up. William H. Brownlee of Millbrae made the same request.

Kellogg said that he was not prepared to submit the name of the director to the board at this time. He said that Maj. Charles C. Gans, who is ineligible for the post at present, is retaining the status of acting director. Dr. Harper Peddicord also claims the post.

The San Mateo County Board of Health and Welfare, recently appointed by Kellogg, notified the board today that it has endorsed Dr. Peddicord.

Supervisor Fred Beer, San Mateo, moved for the rejection of Dr. Sweeney, and Supervisor John Poole, Redwood City, seconded the motion. All voted "yes" except Supervisor Albert Witt, Colma, who said he refused to vote for or against the application because he did not know how.

## Ward's Air Hour To Recite Story Of Joseph's Coat

As the next of the series of "Immortal Dramas," Montgomery Ward will present the first part of the story of Joseph—the Coat of Many Colors—next Sunday, February 17 at 11 a. m. through KPO.

This famous story from the Old Testament has been adapted to the radio in two parts to be broadcast on successive Sundays. Each part will be treated as a separate dramatic production without sacrificing the continuity of the narrative in its original form. The symphonic and choral background is expected to enhance the production considerably.

## Family Problems To Be Air Topic On Menu Program

A prodigal father, now filled with remorse, wishes to return to his family's hearth; a sixteen year old girl who is unhappy because her pretty sister gets all the attention and all the dates, and the wife whose husband opens wide his purse to the calls of brothers and sisters at the cost of the comfort and security of his own wife and children, will be Joan Andrews' subjects on next Friday morning's Menu Flashes broadcast on KPO at 10.

The popular kitchen expert will, as usual, have practical shopping hints, suggested menus and recipes for her listeners.

## One Suit Canceled. New Action Is Filed

Following dismissal of a like action which had been filed July 23, 1934, because one of the defendants had died, Emily F. Partridge today filed suit in superior court for $25,000 damages from the city of Burlingame, the Pacific Telephone and Telegraph Company, Arthur S. Daudistel, administrator of the estate of Ada M. Schultz, and John J. Schultz.

The suit is the result of an accident in Burlingame February 13, 1934, in which the plaintiff charges she received permanent injuries.

The injuries were sustained when she fell into an excavation on the Schultz property which had been made, according to the complaint by the city and telephone company.

J. E. McCurdy is attorney for the plaintiff.

**VETERAN SUCCUMBS**

SAN MATEO, Feb. 12—Daniel Wilson, 49-year-old World War veteran, died at the Community Hospital here last night of pneumonia. Survivors include his wife, Cecilia.

## SCOTTY ALLAN DOGS TO APPEAR HERE

Scotty Allan, internationally famous as a dog expert, and his dog team will appear on the Sequoia Theatre program Saturday afternoon. Scotty Allan and dogs have been synonymous for over 50 years. Scotty has owned and raised over 3000 dogs of various breeds.

The noted Alaskan musher first gained world-wide reputation as a victorious driver in the Alaska Dog Sweepstake Races. Allan participated in 10 of these historic events and won three firsts, placed second three times, captured third on three occasions and finished in the money in the other race. The sled he uses with his dogs has participated in sporting events which won over $70,000 for Scotty.

He has been featured in many books written about Alaska the best known of which probably was Baldy of Nome. Baldy was one of Scotty's most highly-prized dogs. From his own pen came the book, Gold, Men and Dogs.

He is going to tell the boys and girls of Redwood City and the grownups who attend the matinee, some of his most interesting Alaskan experiences. For the past six weeks, he has appeared at all of the principal neighborhood theatres in San Francisco and Oakland. After his engagement at Redwood City, he starts on a theatrical tour of the Northwest. He has a great many personal friends in Redwood City and a crowded house will undoubtedly greet him when he appears on the Sequoia stage.

## 21 PENINSULA PROJECTS LISTED FOR PWA FUNDS

**Twenty-one prospective public works projects to be considered for the $4,000,000 federal relief program were submitted to the board of supervisors here Monday by the San Mateo County Planning Commission and won approval.**

**Topping the list is the proposed $167,000 wing for the San Mateo county courthouse.**

Others in this vicinity include a county garage; the La Honda road from Redwood City to San Gregorio; Willow road extension from the Bayshore highway to El Camino Real, and from El Camino Real to the Skyline boulevard; Woodside road culvert; Fifth avenue extension, North Fair Oaks; Pope street bridge, North Palo Alto, and underpass on Semicircular road, North Fair Oaks, for protection of Garfield School buses.

Coastside projects include a Half Moon Bay beach parkway; Pebble Beach to Bean Hollow beach development; administration building, Memorial Park, and Ano Nueva Point beach development.

Other projects include an addition to the relief home, tuberculosis unit at the Community Hospital, road from South San Francisco to Sneath lane, School street extension to Skyline boulevard, Daly City; viaduct over tracks at Millbrae, and Newell road, Hillsborough, bridge.

Projects were approved immediately by the board upon motion of Supervisor Fred Beer, San Mateo, and second of Supervisor Walter High, Burlingame. Upon motion of Supervisor Albert Witt, Cloma, the board met this afternoon to list the projects in the order of their preference.

A. D. Wilder, state PWA engineer, replying to a request that the courthouse project be immediately included for funds, replied that a time for submitting the proposal to the electors must be provided.

The board fixed May, 1936, as the next prospective election, but may submit the proposal earlier if a state or special election is called.

### Sealer Resigns, Frey Succeeds

John Garibaldi of Colma, sealer of weights and measures of San Mateo county, Monday surprisingly tendered his resignation to the supervisors and caused a split in the board ranks over the new appointee.

The name of Wilbur H. Frey of San Mateo was submitted to the board by letter. Supervisors Fred Beer, San Mateo, and John Poole, Redwood City, sought a Scott said that the department's week's delay to look into Frey's qualifications.

Supervisors Albert Witt and Walter High and Chairman Manuel Francis voted for Frey after refusing to delay the appointment. Beer and Poole voted "no."

### Poss Appointed County Planner

Supervisor Fred E. Beer resigned Monday as a member of the San Mateo County Planning Commission and the board, upon his motion, appointed Martin Poss of San Mateo as successor.

Supervisor Albert Witt, Colma, voted "no" on the appointment.

### Road Department Plea Delayed

Transfer of $20,000 to the maintenance and operation department of the county road department was requested of County Engineer Carl Scott of the board of supervisors Monday.

## Dentists Select Officers, Endorse Harper Peddicord

Election of officers for the coming year and the endorsing of Dr. Harper Peddicord for the post of county health director featured the annual meeting of the San Mateo County Dental Association, held Saturday night in San Bruno.

Dr. H. T. Daley of Burlingame was elected president, succeeding Dr. V. L. Cosgrave. Dr. J. M. Foley, San Mateo, was named president-elect. Dr. Foley, Dr. N. C. Cummings, Redwood City, and Dr. A. E. O'Neil, also of this city, were named on the board of directors. Dr. J. H. Lorenz of Burlingame was named as the county association's delegate to the state association executive council.

It was decided to inform County Executive Walter Kellogg and the board of supervisors of the stand taken on Dr. Peddicord.

A report on school dentistry was given at the meeting by Dr. D. V. Hutton of Burlingame.

Dr. J. C. McGovern, former coroner, arranged the meeting.

## ANNUAL CONCERT SET FOR FEB. 21

### Sequoia School Band To Be Presented At Ravenswood

In lieu of its annual concert with the school orchestra, Max Gelber's 68-piece Sequoia Union High School band will present a concert of 15 numbers at the Ravenswood school on the Bayshore highway near University avenue, East Palo Alto, Thursday, February 21, at 8 p. m. Mrs. Robert Garcia, president of the Ravenswood Parent-Teacher Association, sponsor, announced today.

The concert, for which a charge of 25 cents for adults and 10 cents for children will be made, is to raise funds for P.-T.A. work and to help pay for the new uniforms of the band.

New white-striped purple trousers have been purchased for the band this year. Wearing their white sweaters trimmed in purple, white shirts with purple ties and new trousers, the band presents an exceedingly neat appearance, according to those who have seen it.

Besides a dozen full ensemble numbers, solos will be given at the program by Henry Martens, clarinet; Jack Lessarde, trumpet, and Jack Knight, tuba, all accompanied by the band, Gelber said. The wood wind quintet and boys' string quintet will also give special numbers.

Besides being given as a concert, the program will endeavor to demonstrate the work being done at Sequoia, according to Gelber. The music building at Sequoia, designed by Gelber and Otis M. Carrington, vocal instructor, is considered to be one of the best-planned and most practical buildings in the state. This ideal 19-room plant with private practice rooms and the fact that many of Gelber's pupils have been playing under him since their grammar school days combine to make Sequoia's bands and orchestras among the best produced. Gelber in his McKinley school and Menlo Park school work, which he handles along with his Sequoia teaching, has been the only teacher many of the pupils have had. All his teaching is handled by group work, many of the students having never had a private lesson.

## Five Autoists Hurt In Skyline Collision

Five San Francisco motorists were well on the road to recovery today following an automobile collision Sunday night on Juniperro Serra boulevard at the intersection of the Salada Beach road.

Those injured, all of whom incurred but minor injuries, were Ellen Casey, Mary Casey, Daniel Casey, Antonio Escarre and Lorletta Bidlake. They were hurt when the machines driven by George Sperry and Daniel Casey collided, State Highway Patrolman William N. Francis reported today.

## Gatchell Elected Head of Baptists

The Rev. Charles H. Gatchell, minister of the Redwood City Baptist Church, James avenue and Hudson street, was elected president today of the San Jose District Baptist Association meeting in Santa Cruz.

## CRACKERS AND CHEESE

An indispensable aid to hospitality is a well stocked larder of crackers and cheese which may be attractively set out on a cheese tray at a moment's notice.

## CRACKERS BOON IN CREATING UNUSUAL DISHES FOR BRIDGE

This is the time when entertaining seems to be more in favor than ever—and a hostess with brand new ideas up her sleeve for each party, certainly has the Indian sign on the entertainment problem.

It is hard to conceive of any hostess being without a supply of crackers for the planned and impromptu parties—they are always in order.

That brings us to the question of Snow Flakes.

Most of you are familiar with these flaky crackers, which come in three sized packages, all double wrapped in waxed paper to keep their crispy freshness intact for you.

Now-a-days the cheese tray with its accompanying assortment of crackers is well established in the home that enjoys dispensing hospitality. But not all hostesses have discovered the secret of cracker cookery short-cuts.

The recipe following will lend a touch of novelty to a bridge luncheon.

**EGG TIMBLES**

1 tablespoon Swift's Brookfield butter
2-3 cup milk
10 Snowflake Sodas
3 eggs
1 tablespoon chopped parsley
1 teaspoon minced onion
Leslie Salt, Schilling Pepper.

Melt butter in saucepan, add milk and finely rolled crackers and cook until thickened. Beat egg yolks until thick and lemon colored. Into them stir crackers mixture, parsley and onion. Season to taste and fold in stiffly beaten egg whites. Turn into buttered molds, filling 2-3 full. Set in a pan of water and bake in a moderate oven (350°) until firm, about 25 minutes. Make 6 timbles.

A delicious sauce to serve with this is made by blending two tablespoons of Swift's Brookfield Butter with one tablespoon of Sperry's Drifted Snow Home Perfected Flour in a saucepan and cooking it until it gets bubbly, then gradually adding a medium sized can of Heinz Cream of Mushroom Soup, stirring until well blended and slightly thickened. Additional seasoning may be added to taste. A dash of paprika adds an interesting color note as well as a springling of finely chopped parsley.

## Native of Woodside Dies in Palo Alto

Mrs. Alice Edith Yoder, a resident of Palo Alto for the last 32 years, passed away Sunday at the age of 64 years. She was a native of Woodside.

Survivors include the widower, O. S. Yoder; a son, Lester Morris of Palo Alto; a daughter, Mrs. Jennie Bryant of Bakersfield and a sister, Mrs. Nellie Mileham of Los Gatos. The family home is at 925 Lincoln avenue.

## LIQUOR 'HOLIDAY' EXTENDED 10 DAYS

### Menlo Park Permits May Be Revoked February 21

Menlo Park's "liquor holiday" is certain to last for at least 10 more days.

Not until February 21 is the state board of equalization expected to take its recently threatened action towards cancelling the 17 liquor selling permits in that territory which were issued by mistake and in violation of the state law which bans liquor selling within a radius of one and a half miles of the university campus.

According to information received by the Associated Press from Sacramento today by the Tribune, it appears that the equalization board will probably consider the Menlo Park matter at its next meeting set for February 21 in Los Angeles.

The board, the dispatch said, had not yet heard from Menlo Park residents since receiving the map from Stanford University indicating the reach of the one and a half mile law's application. The board expects to have its information by the time of the Los Angeles meeting, however, it will take no action towards cancellation of the illegal permits before that time, it was stated.

A copy of the map prepared by the university's engineering office has been turned over to Menlo Park city officials for their consideration at a council meeting tomorrow night.

**COAST WOMAN, 90, DIES**

Funeral services will be held in San Francisco for Mrs. Mary F. Laghans, 90, of El Granada, who died Sunday night in a San Mateo hospital two hours after she had been brought there from her coastside home. Two sons survive the aged woman.

## Independents Vote to Join Allied Group

### 15 Retailers Selected As Organization Committee

Organization of a Redwood City unit of the Allied Independent Merchants and Home-Owned Businesses of California Inc., was decided upon Monday night by independent merchants at a meeting in the firehouse auditorium.

A. G. Keney, hardwareman, was selected as temporary chairman, and Milton R. Hinds, stationer, was named secretary of a group of 15 local merchants who will have charge of the organization.

Albert L. Walters, state manager for the allied independents, spoke to the merchants and was instrumental in securing the formation of the local unit.

George Montell, secretary-manager of the Palo Alto unit and David Keeble, Palo Alto president, told of the movement in the college community.

Walters in his talk said the purpose of the new organization is not to "fight" the chain stores but to unify the independent retailers for their mutual interests.

**PLATFORM TOLD**

Four planks are contained in the allied independents' platform as outlined by Walters and follow:

1. To further the practice of reciprocity in buying.
2. To educate and train independent merchants and their employes to better serve the public.
3. To educate the general public of the necessity of preserving private business.
4. To secure laws to protect independent businesses.

Management of the unit would require a secretary-manager and local office and incidental expenses.

Because of this cost, the Redwood City group will give consideration to the proposal of joining with the Palo Alto unit and using its secretary or might join with San Mateo and Burlingame, which are to be contacted next by Walters.

The salary of the manager and other expenses must be met by the local unit from dues, which are usually $1 per month, Walters said.

In addition, the state office is to receive 10 cents per month from each local retailer for subscription to the news bulletins issued each month.

The state organization is financed by wholesalers and distributors, Walters said. They are not permitted to hold memberships, nor are local wholesalers.

**KENEY PRESIDES**

The movement which Walters represents was first started years ago and was incorporated as a non-profit organization on April 9, 1934.

Named as the committee of local independents to assist in the formation of the group were W. D. Ryan, furniture; J. P. Hearne, dry goods; Robert Squires, drugs; R. H. Hallett, meats; Roy Bissell, tires; C. P. Thiel, men's furnishings; Charles Douglass, ladies' wear; Charles Mitchell, shoes; Francis Britschgi, dairy products; Frank Thompson, barber; W. W. Hilton, jewelry; Ed Tuite, meats, and Paul Hecht, dry cleaning.

Keney presided as chairman of the meeting.

## MILLION IS LEFT BY R. E. MILLER

### Broker Left Property, Bonds, Stocks, Cash, Appraisal Shows

Stocks, bonds, personal property, cash and real estate to the value of $1,085,024.92 were left by the late Richard Elgin Miller, broker who died at the age of 74 in Atherton August 13, 1934, it was revealed yesterday with the filing of appraisal of his estate by Bradford M. Melvin in superior court here.

Cash on deposit in three San Francisco banks amounted to $29,843.71; bonds totaled $500,355.40; stocks, including $424,055.82 worth of R. E. Miller Investment Company capital stock, totaled $455,021.61; personal property including dividends receivable totaled $2,899.99 and real estate amounted to $60,050, the appraisal showed. Included in the real estate was a $50,000 lot in Los Angeles and a $6,000 parcel of property in Fair Oaks Acres, Atherton.

Early peoples regarded rice as an emblem of productiveness; hence rice is thrown after a bride and bridegroom.

## CAMPBELL BREAKS RECORD WITH RED LION

**Sir Malcolm Campbell, daring driver from across the seas, is already garnering new speed laurels, according to word received here by local Gilmore representatives. Driving a Hudson fueled with Red Lion Gasoline, a California product, Campbell this week shattered all Class C stock car speed standards up to five miles. (Upper left) It isn't a giant carpet-sweeper, it's Campbell's whale-like Bluebird speedster in which he hopes to drive 300 miles per hour. (Upper center) The Hudson with Campbell at the wheel scorches the sands of Daytona Beach to set seven new A.A.A. national records. (Upper right) The speed-minded Sir Malcolm relaxes after his record run. (Lower center) E. J. Sanders, Gilmore's technical aid to Campbell at the Florida beach course, fuels the champion Hudson before the run. An A.A.A. official looks on to be sure the gasoline is regular Red Lion.**

## Supervisors Post Reward for Clue

The San Mateo County Board of Supervisors Monday officially took cognizance of the unsolved murder of Miss Kathleen Robinson of San Mateo by posting a $100 reward for a clue leading to solution of the mystery.

Supervisor Albert Witt, Colma, brought up the question, and Supervisor Walter High, Burlingame, and other members supported it.

District Attorney Gilbert Ferrell informed the board that his office was at work on the murder and hopes for an early solution of the crime with the aid of city, county and state agencies.

The two investigators sent to the county by Clarence S. Morrill, chief of the state bureau of identification, were meanwhile studying the 175-page report of Chief of Police Thomas Burke and his San Mateo department and were seeking new clues. The two are Frank Heacock and Owen Kessell, who arrived Saturday night.

## WASHBURN SENT TO EUGENE AREA

### Gergen Also Promoted By Ward's; Joaquin Is Coming Here

Promotion of two local Montgomery Ward Company officials was announced Monday.

Dana P. Washburn, who has been manager of the Redwood City store for the past two and one-half years, will leave Wednesday to take charge of the Eugene, Ore., store of the company. This store is the second largest retail chain store owned by the company on the Pacific coast.

Arthur Gergen, former manager of the local store who was made district supervisor when Washburn was transferred to this store from Oakland, is being given a larger district extending from Stockton to Glendale.

Washburn while in Redwood City has become well-known through his civic activities. He is a director in the chamber of commerce and second vice president of the Lions club.

Gergen, with Mrs. Gergen and their sons, William and David, expect to leave soon. They will probably make their home in Hollywood.

Management of the local store will be assumed by Thomas Joaquin, now manager of the Merced store.

Promotion of the local officials is part of a state-wide movement of Ward executives culminating in a successful business season. Three managers of larger stores are being made district supervisors, resulting in openings for other managers. All transfers have been made within the ranks of Ward employes.

Among recent promotions is that of George Moore, manager here before Gergen. He has been made assistant regional manager in Portland, having served since he left Redwood City nearly four years ago as district supervisor and a regional executive in Oakland.

Washburn, a graduate of the University of Maine, has been with the Ward firm five years.

## City Requests State to Fix Utility Value

**The City of Redwood City asked the California state railroad commission Monday to fix a "just 'compensation" for the Pacific Gas & Electric Company's distribution system within the city and in certain specified areas outside, the Associated Press reported.**

**The petition declared it was the city's intention to purchase electrical energy from the P. G & E.**

**The electrical distribution system was defined to include certain rights-of-way and other facilities.**

## Scouts to Seek Death Weapon In Girl Murder

Aid of Boy Scouts of San Mateo and Burlingame in making a systematic search for the weapon used in killing Kathleen Robinson will be enlisted by officers who are trying to solve the mysterious slaying, Chief of Police Thomas Burke said today.

While officers have conducted a search for the gun, it was felt that by combing the area in the vicinity of Poplar avenue, where the murder was committed, either the weapon or new clues might be unearthed.

Chief Burke and his department, who were criticized by the coroner's jury which held an inquest over the dead girl, were last night voted the confidence of the San Mateo City Council.

City Manager E. P. Wilsey told the council he had investigated the murder himself, and said he felt criticism directed against the department was not justified.

An additional reward of $25 made by a citizen who refused to allow his name to be used was announced today by Chief Burke, who himself has offered $100 for information leading to a clue that will solve the mystery. The board of supervisors yesterday also posted a $100 reward.

State investigators now working on solution of the murder were reported to be quietly conducting their investigation, questioning principals involved.

## Two Slightly Hurt As Auto Overturns

Two San Francisco people, Ellen Salzmann, 16, and Frank Rilgelhuth, 23, were recovering today from injuries incurred when their machine turned over Saturday night at 9:20 o'clock after it had collided with the car of Emil Ott, 32, of Niles on the Bayshore highway near Brisbane.

## Simmons 'Murder' Branded As Hoax

The "confession" of George W. Simmons, 38-year-old automobile salesman, that he shot and killed a Jack O'Donohue in San Mateo was today branded by Sheriff George Lyle of Santa Clara county as an attempt to build up an insanity defense for his trial on charges of passing fictitious checks.

The "body" of O'Donohue could not be found by officers, and the man who Simmons said loaned him a gun for the shooting, R. H. Collins, pharmacist, denied lending the salesman his gun.

*The Facts About*
# *Chinese Herbs*

If more people knew the true facts regarding Chinese herbs there would be far more happy, healthy people in this nation today. For the benefit of those who have not as yet been notified of the TRUTH we are giving here a few facts that you should KNOW.

Chinese herbs were discovered more than 4,000 years ago by the ancient Chinese doctors in the time of Confucious. Throughout all of these centuries they have been developed and made more scientific by each succeeding generation. Chinese herbs are the natural roots, barks and herbs that were placed in the ground by nature to heal suffering mankind.

There is no particular reason why herbs should be Chinese herbs, except that the finest varieties and the science of herb compounding was established in China. No where else in the world are the herbs so carefully grown as they are in the present Republic of China.

If you are ill or suffering in any way, do not hesitate to come to us for

# CHARTER CHANGES WIN SIGNATURES

## One Hundred Petitions Put in Circulation In County Area

With more than a hundred petitions to amend the county charter in circulation throughout the county, names were being secured rapidly today to call a vote on amendments which would abolish the office of county executive, create a new office of county administrative officer, and restore appointive officials to an elective status, sponsors reported.

"People everywhere are rallying to the support of these measures, and are signing gladly," Wayne R. Millington, attorney for the sponsors, reported. "We are enjoying unprecendented success, and we anticipate no trouble at all in getting more than the 4,500 names necessary to assure an election on the charter."

The petitions should be signed and returned to Millington's office by Saturday at 10 a. m. so that checking and filing of the petitions can be accomplished at the earliest opportunity, the attorney said.

While petitions are being circulated in every town and district in the county, voters not approached who wish to sign may do so at The Tribune office or at Attorney Millington's office.

When signed and checked for correctness of signatures the petitions will be presented to the board of supervisors, who must then call a special election.

BERKELEY (AP) — Coach Ky Ebright, whose crews have twice won renown in the Olympic Games, is fond of telling his rookies they are trying out for the "only athletic team at the University of California on which a pull will get them a win a third time at Berlin.

## Democratic Women Plan Townsend Talk

The San Mateo County Democratic Women's Club will meet tomorrow at 2 p m. at the home of Miss May Daly, 137 Lorton avenue, Burlingame, to hear discussions on the Townsend plan and the county charter.

Speakers on the Townsend plan will be Mrs. Bessie Redmond of the San Jose club and Mrs. McCorkle, district manager.

## 60 Bids Submitted For Belmont Project

BELMONT, Feb. 15.—Belmont County Water District has in its possession today 60 bids for materials to construct supply mains, reservoirs, hydrants, pump houses and machinery for the new Belmont water system.

All cotton blooms are white on the first day of blooming, red on the second day, and they fall off the plant on the third day.

## Six Troops Plan Honor Court Fete

Six scout troops will participate in a court of honor at McKinley school here tomorrow night at 8 o'clock, Max J. Leonard, chairman of the court, announced today.

On the court will be James Hedge, John Gill and Leonard George Erskine has arranged the electrical effects for the various troop scenes.

## McGrath Asks Planes For Moffett Field

Congressman John J. McGrath today wired to government employes at Moffett field that he has already taken steps to secure transfer of heavier-than-air craft to Sunnyvale.

The assemblies of Maryland, Virgina, and North Carolina passed a crop control act as early as 1666; this act provided for a one-year tobacco-planting holiday.

## Congress Embarked On Defense Program

WASHINGTON, Feb. 14 (UP) — Congress was embarked today on a $2,000,000,000 national defense program designed to protect the United States from invasion.

Firewood may be obtained in exchange for potato peelings or other food refuse which is of no further use, through an automatic machine installed in Berlin.

## Belmont Kennels To Be Controlled

BELMONT, Feb. 14.—At a meeting of the Belmont City Council, last night, it was decided that keepers must remain with the greyhounds to prevent the animals from annoying residents with their barking.

Property owners have complained about the nuisance, saying the barking kept them awake and frightened their hens, reducing egg production.

## Macon Duraluminum Strength Defended

HARTFORD, Conn., Feb. 14 (UP) —In a statement issued through counsel, the Aluminum Company of America characterized as an "absolute untruth" reports the duraluminum furnished for construction of the dirigible Akron and Macon had a yield point and tensile strength below specified standards.

## Gardner Files Answer With $10,000 Action

An answer to Mike Proto's recent $3500 suit against H. P. Gardner as the result of what Proto claimed was a breach of contract has been filed in superior court in the form of a cross-complaint seeking $10,000 damages.

Gardner, answering Proto's charge that an agreement whereby he was to grow mushrooms on Gardner's place was broken, charges that Proto was not as familiar with the details of growing the vegetable as he set forth at the time the contract was made, and did not give proper care and time to the crops.

"By reasons of said acts . . . the crops are valueless and the materials placed in the said mushroom houses have become valueless," Gardner's complaint, filed by Attorney Norman S. Menifee, states, asking the $10,000 as compensation.

## Government Radio Stations Opposed By Toastmasters

Voting 19 to 5 against going on record in favor of government-controlled radio broadcasting, the Toastmasters Club Monday held another interesting meeting at which lively arguments for and against the proposal were heard.

Donald Bogie spoke on the weakness of the present plan of private controlled broadcasting, proposing that tax-supported radio stations be considered.

Herman Phillips pointed out that under the British plan television will be offered to the public soon.

To the defense of the American plan came Jules Lutje, who pointed out that free speech was at stake under the foreign system, and that but few programs were available to the listeners.

He was backed up by Duncan Reynard and another group of the members.

Finally Harold Anderson, toastmaster for the evening, called the vote, with the result that the American plan was decided best.

Two men were present who applied for membership and a place on the club's waiting list. They were Attorney C. G. Curry and Clifford Walk, Tribune advertising man.

### FEDERAL PRISONER HELD

Charged with "concealing a fugitive," Jack Perkins, 25-year-old clerk, was held in the county jail here today by federal officers. Nothing was known by sheriff's officers of the charge against Perkins, though it was believed he was one of the gang suspected of harboring the slain "Baby Face" Nelson when he was in the bay district.

## Local Woman's Kin Dies in Burlingame

Albert S. Johnson, 61, brother of Mrs. Thomas Tuite of Redwood City, died at his home in Burlingame this morning following an illness of several months' duration.

Member of a pioneer San Mateo county family, Johnson had been an employe of the City of Burlingame for the past nine years.

Besides the sister here, Mrs. Frank Andrews of Palo Alto, and Mrs. Victor Mitchell of Menlo Park, sisters, Frank W. Johnson, Menlo Park, Fred F. Johnson and Ralph H. Johnson, San Jose, and Alfred R. Johnson, San Francisco, brothers; three sons, Leonard A., Joseph A. and Douglas H., and a daughter, Geraldine M. Johnson, all of Burlingame, also survive.

Funeral services will be held from the Catholic Church in Burlingame Saturday morning.

## More Loot Found Believed Stolen By Two Suspects

BURLINGAME, Feb. 12—Alleged confessions obtained from the two suspected burglars captured here by Police Officers Raymond Nelson and Edward Hallett resulted today in the recovery of several thousands of dollars worth of loot from a San Francisco hiding place, police reported.

Included in the loot were a $1400 fur coat, jewelry, silver and clothing, according to the officers. A machine reported stolen was also found at the house, they said.

The youths, Charles C. Lane, 19-year-old sailor, and L. E. Johnson, 21, admitted, officers said, they had cached the loot at the house. They denied any San Mateo county burglaries except the one at which they were were caught and the attempted holdup of M. Talbot, Daly City night-watchman, the officers reported.

The pair was captured after a chase by the two officers after the suspects had been seen leaving the home of Stanley N. Wilson. One of them was armed with a .38 caliber revolver, and they had a shotgun in their car, officers said. The youths admitted to the officers they had stolen the guns.

## Cuthbert B. Currie Called to Illinois

Cuthbert B. Currie, attorney-at-law who recently opened an office in the Doxsee building here, has been called to Illinois on a probate matter, it was announced today.

Mr. Currie plans to return in a month or so. He will retain his offices here. Mr. Currie is the son of Dr. Robert John Currie, former pastor of the First Congregational Church.

## Local Engineer's Direction Finder On Post Airplane

When Wiley Post darts aloft from Los Angeles in an attempt to reach New York in seven hours by flying through the stratosphere, he will be piloting a plane equipped with a radio direction finder built to specifications submitted by Gerhart Fisher, Palo Alto radio man.

A combination of tremendous altitude and velocity expected to be reached on the Post flight make ordinary radio beam signals, emitted from stations located at brief intervals, of no value, Fisher explains.

## Two Members Asked For Mosquito Board

Appointments to fill the expired terms of two members of the board of trustees of the Three Cities (San Mateo, Burlingame and Hillsborough) Mosquito Abatement District was requested in a letter filed with the board of supervisors today by Irene Farrell, clerk.

R. Longwell's term expires next month, according to the letter, while the term of F. D. Lorton has already expired.

## Congressman Pleased By Cotton's Selection

Selection of A. R. Cotton as superior judge of San Mateo county was highly pleasing to Congressman J. J. McGrath, it was revealed today with the receipt of a telegram of congratulations from the representative from this district.

He wired: "Congratulations to San Mateo county on your appointment as superior judge by Governor Merriam. He should be complimented on his good judgment and wisdom in selecting you. Am highly pleased that people in my home county will again have a man on Judge Swart's bench who is able and conscientious."

**QUINTS DISTURBED**

CALLENDER, Ont., Feb. 14 (UP)—Electric service to the Dafoe Hospital, home of the Dionne quintupletts, was functioning perfectly today after being disrupted for several hours by a fire which did $10,000 damage to the municipal building and three private homes.

**40 & 8 PLAN BALL**

The Forty and Eight Society of San Mateo county is planning to hold a grand ball, probably on Saturday, March 23, T. Louis Chess, chef de gare, said today. Full details will be announced at a later date.

London's smallest house, 6 feet wide by 20 feet long, is situated between two large mansions in Hyde Park Place. You have to climb a narrow ladder to get upstairs, and miniature furniture is used throughout.

## Protest Meet Called Over Laundry Award

In protest to County Executive Walter Kellogg's awarding of the laundry contract for the Community Hospital and Relief Home to a San Francisco firm, the county local of the Laundry Workers' Union, in conjunction with the San Mateo County Organized Labor Advisory Board, has called a mass meeting for Friday night in San Mateo.

The alleged giving of several printing jobs to bay city firms is also to be discussed at the meeting, which will be held at the building trades hall, 711 B street, at 8 o'clock.

**WEEKS IS DIVORCED**

SAN FRANCISCO, Feb. 14 (AP)—Charging that Anson Weeks, Chicago orchestra leader, was "cold and indifferent" Ruth Weeks was granted an interlocutory decree of divorce here.

Historians say guarantees of reimbursement in case of mishaps to marine cargoes constituted the earliest form of insurance.

## War Vets' Council Meets Here Friday

The United War Veterans Council of San Mateo county, of which Dr. J. N. Blood is president, will hold its monthly meeting in the Redwood City veterans hall tomorrow night.

At this time much important veteran legislation and other matters will be discussed, according to Dr. Blood, who urges member delegates from the various organizations represented in the council to be present.

SPECIALS ON SALE 6 DAYS, THURS., FEB. 14th TO WED., FEB. 20th. 929-31 MAIN STREET, REDWOOD CITY

Owls are not blind in the day time; many prefer to hunt in daylight.

Approximately 140,722 forest fires, burning 43,889,820 acres, for an estimated loss of $60,274,960, occurred in this country in 1933.

Simmons recently spent a term in the county jail on a petty theft charge after he had been accused of forging a customer's name to a $50 note in Burlingame. He was released January 9 from the jail here.

## Officers Catch Two Suspected House Burglars

BURLINGAME, Feb. 11.—Two would-be burglars who had evidently been doing pretty well until they ran afoul of Police Officers Edward Hallett and Raymond Nelson were in jail here today following their capture last night after a spectacular chase during which several shots were fired.

The two are Charles C. Lane, 19, sailor, and L. E. Johnson, 21, carpenter.

The two were observed by the officers emerging from the home of Stanley N. Wilson, 1252 Burnal avenue. The officers halted their car and started for the youths. The alleged burglars started to flee. Officer Nelson captured Johnson only after a chase through alleys and after firing several times over the head of the youth, he reported. Hallett captured Lane with less difficulty.

Officers found a 16-guage loaded shotgun and loot consisting of jewelry, clothing and silverware in the youths' car, and a .38 caliber revolver on Johnson, they reported. Wilson identified the loot as belonging to him.

One of the men was wearing the hat of M. Talbot, 50-year-old Daly City nightwatchman who had been accosted by a pair answering the descriptions of the two on Friday night, but had frightened them away.

## Youth Has Arm Hurt In Bayshore Wreck

A scratched arm was apparently the only injury sustained by Ted Myer, 14-year-old San Francisco youth, when he was thrown from his light delivery truck to the pavement of the Bayshore highway near the Redwood City airport Sunday a t2:30 p. m. after his machine had been struck in the rear by the automobile of Paul J. Kingston, 41, also of San Francisco.

Kingston told State Highway Patrolmen Schramm and Sequeira that the youth started to turn left into the driveway and he couldn't avoid hitting the delivery car.

Myer was cited for driving without an operator's license.

Don't Trifle With Coughs

Don't let them get a strangle hold. Fight them quickly. Creomulsion combines 7 helps in one. Powerful but harmless. Pleasant to take. No narcotics. Your own druggist is authorized to refund your money on the spot if your cough or cold is not relieved by Creomulsion.

## HALF MOON BAY

**COAST WELL-VISITED**

HALF MOON BAY, Feb. 14.—Fred Cunha of San Francisco visited his son, Fred Jr., over the week-end.

Mrs. Anthony Bettencourt and Miss Marie Yancey spent Thursday in San Francisco.

Mrs. Fred Simmons and daughters, Mesdames A. Cole and Wilbur Buchanan, were San Francisco visitors Friday.

Mrs. Hilda McGovern and sons, of Redwood City, spent Sunday at the William Miramontes home.

Mr. and Mrs. Frank De Martini Jr., Mrs. Frank De Martini Sr., and Dr. Giovenetti, of San Francisco, were Sunday visitors at the John E. Francis Jr. home.

Mr. and Mrs. John Thomson spent the week-end in San Francisco with relatives.

Mr. and Mrs. Charles Beffa of San Francisco were visitors with their son, Clyde, Sunday.

Mr. and Mrs. John Gilcrest Jr. of San Francisco were Sunday visitors of the John Gilcrest Sr. family.

Mesdames Tony Silva and John Thomson spent Friday in Los Gatos visiting relatives.

Mrs. S. Belli, who has been confined to Mills Memorial Hospital, has returned to her home at Moss Beach.

Miss Margaret Kyne, of San Francisco, spent the week-end at the John Kyne home at Moss Beach.

Mrs. Evelyn Swett of San Francisco visited friends on the coast Sunday.

Miss Eva Marsh of San Francisco spent the week-end with the George Marsh family.

Constable Fred Simmons has purchased a new coupe.

Mr. and Mrs. Philip Bray and family of Redwood City spent Sunday with their uncle, Philip Gonzales.

Mrs. Alvin Hatch was a San Mateo visitor Monday.

Mr. and Mrs. Frank Meyer and grandson, Paul (Dooney), are visiting in the Butano.

Post Office Inspector George Austin and wife of San Francisco were recent visitors of Mrs. Mary Eipfee.

Mr. and Mrs. Hamilton of Burlingame were Sunday visitors with the latter's sister, Mrs. Claude Cook.

In the new swimming pool at Wembley, England, waves are produced artificially. The new pool measures 60 feet by 200 feet, with depths varying from a few inches at one end to 16 at the other.

Approximately one-tenth of the harvested hay crop in this country is lost through spontaneous combustion.

## China Not Originator Of Opium, Club Hears

Chinese were not the first people to use opium, F. J. A. O'Ferrall, state narcotics inspector, told the local Kiwanis club in its meeting here yesterday when he spoke on "Narcotic Evils."

Instead, they learned the opium habit from the Dutch and English only 150 years ago, O'Ferrall said, adding that today Japan is the biggest producer of morphine and opium, raising the products in Manchuria.

Eighty per cent of all criminals are drug addicts, the speaker declared, emphasizing the need for adequate legislation to control the dope traffic. California is one of the few states having adequate laws to control drugs, he said.

Many "sidelights" on the drug traffic were detailed to the Kiwanians, including the revelation that while opium had been known for 4,000 years, morphine was discovered only in 1806 and heroin in 1898. When discovered, heroin was believed to be a cure for the morphine habit, but instead it proved to be a more deadly drug than morphine. Cost of drugs to an adict is from $5 to $10 a day, O'Ferrall said.

Rilgelhuth incurred cuts and bruises and a chest injury, while Miss Salzmann received facial and leg lacerations.

## Gen. Robert Wood Named Relief Head

WASHINGTON, Feb. 14 (UP)—President Roosevelt today selected Gen. Robert E. Wood, Chicago business leader, to aid selection of projects under the $4,880,000,000 work relief bill which drew immediate Republican fire upon presentation to the senate.

Wood, president of Sears Roebuck & Company, was named by the president to head a special advisory committee which will aid the chief executive in designing means of spending the huge fund.

Other members of the advisory group are being picked from the business advisory counsel of the department of commerce, Secretary of Commerce Daniel C. Roper said.

According to State Highway Patrolmen Kreiss and Walzberg, Rilgelhuth was driving his machine on the wrong side of the highway, the cars crashing head on.

## Veteran Protests 'Red' Book in Library

Protesting purchase by the county of what he termed were Communistic books, Thomas Wiedemann, San Bruno veteran and school board member, today in a letter to District Attorney Gilbert Ferrell urged that steps be taken to form a county library commission. Ire of Wiedemann was raised when he read Michael Gold's "120 Million," which he claimed was "red" propaganda.

**NAMED DEPUTY CORONER**

Frank C. Wyckoff, Burlingame undertaker, was today appointed deputy coroner by Coroner William Crosp.

No need to have a heating problem
—install Gas Heating!

ARE you trying to depend upon a fireplace or a stove to keep your house warm? The fire goes down and then the house gets chilly. You get tired, worn-out just trying to be comfortable.

Gas heating has the wonderful advantage of keeping going without anyone even thinking about the fire. With gas heating equipment you can have steady, even, circulating heat, hour after hour, day or night.

With Natural Gas, the healthful economical fuel of high heat content, gas heating costs very little more than ordinary fuel. That is why thousands and thousands of doctors, clerks, farmers, machinists, salesmen, policemen, building owners, young folks, old folks—everywhere use and praise Natural Gas heating.

Now during this season of changeable weather is the time to install gas heating equipment. No more need to wish for an easier way to keep the house warm. You will have it. Easy terms can be arranged.

7 EFFICIENT TYPES OF GAS APPLIANCES
FLOOR FURNACE ..... $45 UP plus installation
RADIANTFIRE ..... $16 UP plus installation
STEAM RADIATOR .. $31.50 UP plus installation

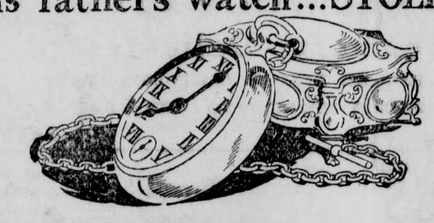
His father's watch...STOLEN



It was a *priceless* keepsake which he might have kept in a Bank of America Safe Deposit Box *for about 1c a day*

Too late, of course, after a personal treasure is lost to do anything about it. But frequently the loss of some valued keepsake serves to impress the owner with the wisdom *and the economy* of having a Bank of America Safe Deposit Box.

The cost is little more than one cent a day. The protection to your valuables is *positive*—fire, theft, or your own carelessness can never result in their loss. Ask to be shown a Bank of America Safe Deposit Vault.

# LEGION SMOKER WILL AID CAMP

## Boxing and Wrestling On Program to Aid Recreation Fund

Youthful visitors to California will be entertained next Monday evening at a smoker to be given by Redwood City Post No. 105 of the American Legion.

The smoker, for the benefit of Camp Carleton recreation fund, will be held in Legion Hall, Warren and Standish streets, at 8 p. m. A fine program of boxing, wrestling and musical numbers followed by refreshments has been arranged by Stanton Mullen, chairman of the entertainment committee.

The United States government provides food and shelter for the Camp Carleton boys, but there are no recreational facilities except those provided by generous citizens. The public, and especially members of service clubs and organizations interested in the conservation of youth, are urged by the organizers to attend. The price of admission is 25 cents.

## Bean Feed Is Set By Indian Tribes

Boys who are members of the Friendly Indian Tribes of Redwood City are looking forward to Friday evening when they will have a father and son bean feed at the social room of the Congregational church starting promptly at 6:15 o'clock and running until 8 o'clock.

The "big chiefs" of the tribes and Roy A. Hohberger, local secretary of the Young Men's Christion Association, will be in charge of the program of fun, songs and stunts.

A very nominal charge will be made of 15 cents if the boy is unable to get his "dad" to come along, and the two for a quarter if his "dad" comes.

The supply of war surplus aircraft was about exhausted by the end of 1926 and most of the engines had been disposed of by the end of 1927.

**Fine for Rheumatism Lumbago, Sciatica — All Muscular Soreness**

**Moone's Emerald Oil Proves Most Effective Local Application**

It's the greatest liniment of them all and you don't have to wear yourself out rubbing it in—down thru skin and flesh it goes, getting at the soreness and bringing soothing comforting relief.

One minute's rubbing—that's all—no hot water bottle needed. You simply apply a little direct from the bottle.

The positive quick action of Moone's Emerald Oil in most every case of muscular Rheumatism, Lumbago, Sciatica and muscular sprains and strains is sure proof of its powerful, penetrating qualities.

Take a bottle of Emerald Oil home tonight—why nurse trouble when you can get quick relief at any first-class drug store—guaranteed.

LEGAL

**PETITION FOR ANNEXATION OF TERRITORY**

BEFORE THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN MATEO, STATE OF CALIFORNIA.

IN THE MATTER OF THE PROPOSED ANNEXATION OF TERRITORY TO THE MENLO PARK FIRE DISTRICT.

TO THE HONORABLE, THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN MATEO, STATE OF CALIFORNIA:

We, the undersigned, owners of real property situate, lying and being within the hereinafter described territory proposed by this petition to be annexed to the Menlo Park Fire District, do hereby respectfully petition your honorable Board, and pray that said hereinafter described territory be included within the limits and boundaries of the Menlo Park Fire District, and that, thereby, the boundaries of said Menlo Park Fire District may be altered and said new territory annexed thereto; which new territory is specifically described as follows, to-wit:

All that certain tract or parcel of land situate, lying and being contiguous to Menlo Park Fire District, in the County of San Mateo, State of California, bounded and more particularly described, as follows:

BEGINNING at a point on the common boundary line between Menlo Park Fire District and Woodside Fire District, said point being at the intersection of the Southerly boundary of Alameda de Las Pulgas with the Westerly boundary of Stockbridge Avenue (formerly called Randol Avenue); thence in an Easterly, Southerly, Easterly, Southerly and Easterly direction on and along said Southerly boundary of Menlo Park Fire District, to its point of intersection with the Easterly boundary of Yedra Avenue, said point being the most Northerly corner of Lot "I," Block "B," of Menlo Heights Subdivision, as said Subdivision is shown upon a certain map recorded in Book "B" of Original Maps, Page 38, San Mateo County Records; thence departing from said Southerly boundary of Menlo Park Fire District and running Southerly along the Easterly boundary of Yedra Avenue, said boundary being coincidental with the Westerly boundary of Lots "I" and "J," Block "B," of said Menlo Heights Subdivision, to the most Southerly corner of said Lot "J," Menlo Heights Subdivision; thence crossing Hillside Avenue in a Southerly direction to the most Westerly corner of Lot "I," Block "A," of said Menlo Heights Subdivision; thence Southeasterly along the common boundary line between Lots "I" and "J" in Block "A" of said Menlo Heights Subdivision, and continuing along the Southeasterly projection of said common boundary line to the Southerly boundary of Bellevue Avenue; thence along the Southerly boundary of said Bellevue Avenue, in a general Westerly and Southerly direction to the point of its intersection with the Southerly boundary of Upland Avenue; thence Southerly along the Easterly boundary of Lot 24 of the Bellevue Tract, as shown on that certain map recorded in Book "E" of Original Maps, Page 30, San Mateo County Records, and continuing along the Southerly projection thereof, to the most Easterly corner of Lot 2 of the Mezes Ranch Subdivision, as shown upon that certain map recorded

LEGAL

in Book "B" of Original Maps, at Page 56, San Mateo County Records; thence Northwesterly along the Northeasterly boundary of said Lot 2 of said Mezes Ranch Subdivision to the most Northerly corner of said Lot 2; thence Southwesterly along the Northwesterly boundary of Lots 2 and 21 of said Mezes Ranch Subdivision, and along the Southwesterly projection thereof, across that certain unnamed road which separates Lot 19 from Lots 20 and 21 of said Mezes Ranch Subdivision, to the Southerly boundary line of said unnamed road; thence Westerly along the Southerly boundary of said unnamed road, the same being the Northerly boundary line of Lot 19 of said Mezes Ranch Subdivision, and along the Westerly projection thereof, to a point on the Westerly line of Walsh Road, said point being on the Easterly boundary of Woodside Fire District; thence continuing Northeasterly along the said boundary of said Woodside Fire District, the same being the Westerly boundary of said Walsh Road, to its point of intersection with the center line of Bear Gulch Road; thence continuing along said boundary of said Woodside Fire District, Southwesterly and Westerly to the point of intersection of said boundary of Woodside Fire District with the center line of a private road thirty (30) feet in width, as shown on that certain map of the Subdivision of the J. J. Moore Ranch, recorded in Book 7 of Original Maps, at Page 48 San Mateo County Records; thence continuing along the boundary line of said Woodside Fire District the following courses and distances: North 74° 55' West 250 feet, North 69° 55' West 184.80 feet, South 30° 54' West 247.50 feet, and North 63° 16' West 865.50 feet, to the most Northerly corner of Lot 11 of said Subdivision of the J. J. Moore Ranch; thence departing from the boundary line of said Woodside Fire District and running on and along the following courses and distances: North 36° 56' East 1373.7 feet and North 7° 59' East 486.25 feet, to the most Northerly corner of Lot 38 and the most Southeasterly corner of Lot 44 of said Mezes Ranch Subdivision; thence Northerly following on and along the Easterly boundary of said Lot 44 and continuing along the Easterly and Northerly boundary of Lot 43 of said Mezes Ranch Subdivision, and continuing along the projection of said Northerly boundary of said Lot 43 to its intersection with the Woodside Fire District boundary line, which point of intersection is in the Westerly boundary of Stockbridge Avenue (formerly called Randol Avenue); thence Northerly along said boundary of the Woodside Fire District and on and along the Westerly boundary of Stockbridge Avenue to the point of beginning.

And your petitioners further respectfully show:

1. That Menlo Park Fire District is a fire district situate in the County of San Mateo, State of California, heretofore incorporated and organized, and now existing and functioning, under and pursuant to that certain act of the legislature of the State of California, entitled "AN ACT TO ALLOW UNINCORPORATED TOWNS AND VILLAGES TO EQUIP AND MAINTAIN A FIRE DEPARTMENT, AND TO ASSESS AND COLLECT TAXES FROM TIME TO TIME, FOR SUCH PURPOSES, AND TO CREATE A BOARD OF FIRE COMMISSIONERS" approved March 4, 1881, as amended.

2. That the territory hereinbefore described, the annexation whereof is hereby sought in and by this petition, lies contiguous to the said Menlo Park Fire District, and all thereof lies in the County of San Mateo, State aforesaid.

3. That your petitioners are, and each is, the owner of real property in such contiguous territory so proposed to be annexed to said district, and that the real property so owned by your petitioners represents, in the aggregate, upwards of twenty-five per cent of the total assessed valuation of the whole of said contiguous territory so proposed to be annexed, as shown by the last equalized assessment book of the County of San Mateo, State aforesaid.

4. That the total assessed valuation of said territory so proposed to be annexed, as shown by such last equalized assessment book is $155,700.00.

5. That the amount of real propery owned by each of the undersigned petitioners, and the assessed valuation of each said ownerships, as shown by the last equalized assessment book of the County of San Mateo, State aforesaid, is specifically set forth opposite the signature of each of your said petitioners, hereinafter subscribed to this petition.

6. That the hereinbefore described territory is not within the fire limits of any unincorporated town or village, nor within any fire limits at all, nor is it within the limits or boundaries of any fire district or of any fire protection district.

7. That the duly elected, qualified and acting Commissioners of such Menlo Park Fire District, have, and they do, join in this petition, by signing their names hereto, pursuant to the requirement of the aforesaid act of the legislature, section 24½ thereof, as amended.

And your petitioners herein and hereby give notice, and notice is hereby given, that at and in the meeting room of the Board of Supervisors of the County of San Mateo, State of California, in the County Courthouse at Redwood City, California, on Monday, the 4th day of March, 1935, at the hour of 10:00 a. m. of said day, or as soon thereafter as your petitioners may be heard, the within petition will be presented to said Board of Supervisors, for consideration and hearing thereon, at which time and place all persons interested therein may appear and be heard.

WHEREFORE, your petitioners respectfully pray that the territory hereinbefore described be annexed to and included within Menlo Park Fire District.

And your petitioners will ever pray, etc.

## $96,000 Sought By Stockholders Of Virden Firm

Damages totaling $96,750 are sought by 54 people who claim they purchased shares of Virden Packing Company stock at $100 each, only to have the stock decline to $2 per share, in a suit ffled in superior court late yesterday.

Defendants in the suit are the packing company and 13 of its directors.

The complaint alleges that the stockholders were induced to purchase stock through false promises made by the directors.

Attorney for the 54 plaintiffs is J. Maxwell Peyser of San Francisco.

Pillars for the new Golden Gate Bridge in San Francisco bay are half an average city block in size and rest on the bottom of the bay.

affectionate of birds. Only death or captivity can separate it from its mate.

## $7870 Allotted On Several New Relief Projects

A sum of $7870 has been appropriated for work relief projects in San Mateo county approved today by Roy W. Pilling, acting SERA administrator.

The construction of an athletic field and landscaping Burlingame High School is one of the projects which will employ 15 persons as workers.

Another is a project to manufacture denim jeans for San Mateo county unemployed. Thirty-nine persons will be employed as workers on this job under the supervision of S. H. Holden.

Still a third project will provide classes in dramatics, current events, short-story writing, sewing, and other subjects for San Mateo citizens. Six teachers will be employed under the supervision of W. T. Van Voris.

Although coast guard planes on duty are heavily armed, their pilots have no authority to fire on outlaw aircraft.

## Assessors Oppose Merriam's Plan Taking Car Taxes

Opposition to Governor Merriam's plan to take over the assessment of automobiles for state revenue in an effort to divert some $25,000,000 from counties to the state was voiced by the 50 assessors meeting last week-end in Sacramento, Assessor Daniel P. Flynn reported today.

Equalization of assessments between counties, discussion of public utility assessments which go back on the county rolls this year and consideration of matters pending before the legislature were discussed, Flynn reported. The legislative matters were referred to the committee of 10 on legislative affairs. Flynn is a member of this committee.

Thomas Edward, Scottish zoologist and naturalist, once broke from the ranks of a company of drilling militiamen to chase a rare specimen of butterfly.

The largest of all bats is the flying fox, which has a wingspread of nearly five feet.

## Farmers Prepare For New Supply Control Program

San Mateo farmers, apparently satisfied with the success of the 1934 corn and hog production control plan, are getting ready to repeat the program for 1935, it was disclosed today by P. T. Myers, San Francisco and San Mateo county farm advisor.

Legal machinery is being set up for the program, in co-operation with all California counties, as part of the National Agricultural Adjustment Administration program, Myers said.

Last year benefit payments on corn and hog adjustment contracts in California totaled $2,132,000, of which San Francisco and San Mateo county producers received $125,575. The 1935 payments for California are expected to approximate only $995,000, less than last year's total due to the rise in corn and hog prices.

One of the features of the 1935 adjustment program, in-so-far as the corn and hog contract is concerned, Meyers said, is that there is no limitation on numbers of livestock to be produced except hogs. New rules governing eligibility to sign these contracts will be announced in the near future, according to Meyers.

## School Honored As Band Plays Gelber Number

With the announcement that the number was "written by Max Gelber and dedicated to Sequoia Union High School of Redwood City, Calif.," the United States navy band Monday in its semi-weekly concert played The Sequoian, march composed by the local school's music instructor.

Since the concert was broadcast from Washington, D. C., all through the United States and Canada on a national radio hookup, Redwood City, Sequoia and Gelber received a great deal of publicity from the rendition.

Gelber had recently submitted the number, which the Sequoia band has played several times, to Lieut. Charles Benter, leader of the band, but did not know until told by radio listeners that his number had been played.
